

Snake Creek Mutual Water Company (SCMWC)

Water Rights Compliance Statement

June 2023

In compliance with SCMWC's water rights, as defined at the Utah Division of Water Rights, SCMWC is authorized to divert water throughout the year to provide water to its shareholders for part-time (seasonal or recreational) indoor domestic use, and no other use shall be authorized or permitted. Full time domestic use is prohibited.

Use of water for irrigation of any kind, or for a business, does not comply with the Company's authorized use of water. The Company will use the Wasatch County Code definition of "business," which includes all activities within the corporate limits of the county carried on for the business of gain or economic profit.
